Key Need to Know Items

Camp Dean

The Camp Dean is a representative from the Preteen Camp Committee who serves as the liaison between the lead shepherds, camp worship leaders, and the Mt. Lebanon staff. The camp dean conducts the daily shepherd leadership meetings, and provides direction for the camp's celebration and worship services.

Lead Shepherd

The Lead Shepherd is responsible for their individual church group, and serves as the church's primary contact before camp, and at camp. A cell phone number and alternate number must be provided at Monday registration. The Lead Shepherd must be at the campsite at all times. If the Lead Shepherd must leave camp for any reason, he/she must give the Mt. Lebanon office an alternate phone number of a Shepherd who is acting in his/her role. It is expected and required that the Lead Shepherd spend the night at camp.

- *Cell phones should be on silent, but AVAILABLE during worship service times.*

Shepherd

A Shepherd is an adult leader assigned to be with a group of campers at all times, and assist the lead shepherd in various camp responsibilities. Texas Department of State Health Services regulations require 1 adult shepherd for every 10 campers of the same gender.

Junior Shepherd

Any child age 13-17 years old attending camp with your church:

- Requirements:
  - Will need to fill out the online Camper Registration form.
  - **A Junior Shepherd must be included in your church's 1:10 ratio.**

Visitors

PRETEEN CAMP IS A CLOSED CAMP. No Visitors are allowed at camp, with the exception of church staff. Due to camp regulations, no unregistered minors are allowed at camp, even those of church staff members.

Security

There is an automatic gate system at the camp entrance which is in operation 24 hours a day. No one is allowed into the camp unless they have a gate code. Churches will be given a gate code at Monday registration. You are reasonable for your church gate code. The Mt. Lebanon office will not give out the gate code to any visitor.

Need to Know… Continued

Discipline

- The Camp Dean is responsible for the overall camp discipline.
- Lead Shepherds will be held responsible for enforcement of all rules, and the conduct of their individual church group.
- Supervision of campers is provided by the shepherds.
- Procedure for sending a camper home:

    ❖ *Following the decision by the Camp Dean, the camper's parents will be called immediately and asked to pick up their child at the Health Center.*

Photography

Due to concerns over photography at the pools, each church will receive 2 photo badges at Monday registration. This will allow you to photograph or video your church at the pools.

Money Issues

Children are solely responsible for the money they bring to camp.

Suggestions for Churches

Since camp is often the first experience for children to be responsible with money, many churches choose to help children learn this responsibility in different ways.

- Shepherds keep the money for the campers they are responsible for.
- Shepherds keep a "bank account" for campers. At a designated time each day children may "withdraw" a desired amount of their money. At this time campers are responsible for their money.

Dining Services

It is our desire to provide quality balanced meals for campers in our Dining Hall. However, Mt. Lebanon has limited dietary and nutrition assessment services. Because of the high volume of children served each day, food-service personnel may not be able to provide individual, customized meal plans for special nutritional needs.

Managing food allergies at a large camp can be very challenging. In any camp setting, the risk of accidental exposure to a food allergen may be present. Camp staff, parents, and campers themselves should work cooperatively to minimize the risk. Parents should communicate with their children's minister about their child's food allergies.

Medication & Health Center Policy

- All medications must be turned in at the Camp Health Center. Which is located next to the pool. All medicine for children must be kept and dispensed there. The exception is if a church has met the requirements, outlined below, to bring a licensed medical professional.
    - ***Medication***
        - *Each camper's medication must be in a heavy duty, quart sized Ziploc bag. Camper's name and church must be labeled in permanent marker on the bag.*
        - *Mt. Lebanon medication chart (included in Guide) must be in bag.*
        - *All medication must be in original container from the pharmacy.*
        - *Health Center professional will follow dosage instructions as noted on the original container.*
- All camper injuries and illness must be taken to the health center, regardless of whether or not the church has its own medical professional at camp.
- In case of serious injury or illness, the health supervisor will call the parent to determine if a camper should be taken to a doctor or hospital. If the parent wishes for the camper to be taken to the doctor or hospital, a copy of his or her registration form will be sent with the church leader and the camper. Parents will be asked to meet the church leader and camper if necessary at the hospital or doctor's office.

Church Provided Medical Professional Policy & Requirements

Policy:

- A church may bring a licensed RN, LVN, EMT, or Paramedic to administer medication.
- Church must provide a copy of the individual's license no less 1 month prior to attending camp.
- Church must provide a letter from the lead pastor giving permission for person(s) to administer medication.
- Church must rent a camp motel room for storage and administration of medication.
- Medication is only to be administered by this licensed medical professional ONLY.
- ALL FIRST AID NEEDS MUST BE ADMINISTERED AT CAMP HEALTH CENTER.

Medication Requirements: (See above "medication" section.)

Important Health Information

Campers should stay home if they are currently experiencing, or have experienced 2 days before arriving at camp, any stomach virus symptom such as vomiting or diarrhea. Also, a child should be fever-free for a minimum of 24 hours before coming to camp.

- Promote good hand hygiene, including frequent washing with soap and water. Hand soap will be available in all buildings.

- Alcohol-based hand sanitizers.

Each church is responsible to bring paper towels, disinfectant spray, as well as disposable gloves to be used while handling any soiled or contaminated items.

While You Are Here…..

Bible Study

Preteen Camp has a Bible Study Curriculum that has been written especially for this year's camp and is the basis for the camp theme this year. The Bible Study is a guide for you to use to teach the children in your church. We pray that it will be a tremendous help to you and will inspire your preteens on their spiritual journey at whatever point they may be. Your church's Lead Shepherd will be responsible for:

- Downloading and printing the curriculum from the website.
- Gathering and preparing the materials suggested in the teaching guide.
- Teaching or enlisting someone from your church to teach each Bible Study session to your church group.

If you choose not to use the camp's Bible study and quiet time materials, please contact the camp so that we do not include your group in the number of books we order.

You will be assigned a **Bible Study Area** for your church group to meet in each day. It could be either in or around your housing area, or at a designated location around the camp. This assignment will be made to accommodate the size of your group.

Housing Assignments

The Mt. Lebanon staff will make the lodging assignments based on your group's final numbers. Your group could be assigned a lodge, bunkhouse or a combination of both. Also, you may be assigned to share lodging with other churches. The Mt. Lebanon office will email your group's lodging assignment 3 weeks prior to your scheduled camp.

Cabin Inspection

Cabin Inspection is held on Wednesday from 8:15- 9:00 AM.

- This is to aid in the cleaning that is required before check-out on Friday.
- There should be no campers, or shepherds in their housing during this time.

Check Out on Friday

Before you leave the camp, you will be required to check out of your cabin. Check Out procedures will be explained at the final shepherd's meeting on Thursday.

Lead Shepherd's Meeting

At least one shepherd, usually the Lead Shepherd, should represent its church at the daily Shepherds' Meeting. The Monday Shepherds' Meeting is at 12:00 PM in the Patton Chapel. The Tuesday through Thursday meetings are held in Dining Hall C at 7:00 AM (breakfast will be provide). This is a time for the Mt. Lebanon staff and the camp dean to give you pertinent information regarding your camp stay. It's also a time for your comments or questions about camp. It is MANDATORY to attend these meetings

Color Schedule

All churches are assigned a *color* and *letter* group. Remember to follow your color letter schedule at all times. When you are late to a recreation activity, you hold up that activity for all who share your color and letter schedule. *(A sample schedule is on page 19)*

6th Graders

Because it is their last year at preteen camp, sixth graders receive special treatment.

- They get a VIP bracelet.
- Eat first at dinner.
- Can lead in prayer and scripture reading during the worship experience.
- A special Wednesday night activity is planned for the 6th graders after the worship experience.

NOTE ABOUT 5TH GRADERS:
We realize many churches do not bring 6th graders to preteen camp, so you may substitute 5th graders for this special treatment.

Camp Chuala

Each group is assigned to go to Camp Chuala for one rotation Tuesday through Thursday. There are many activities for you group to do, or you can plan your own activities during this time. Churches are welcome to "hang out" in their lodging and rest.

- *Whatever activity you choose, all campers must be supervised.*

Rain Days

Due to safety reasons, some activities may need to be cancelled due to poor weather conditions. Please come prepared with indoor alternative activities for your group. Mt. Lebanon Recreation Staff is available to come to your lodging when it is raining to lead activities. Please contact the office if you would like a staff member to help.

Text Alert System

Shepherds are given the option to join Mt. Lebanon's text alert system. This will only be used in case of an emergency, weather, or schedule change.

Worship Center Seating

Seating in the Worship Center is by color group, and there will be a seating chart on the screens to show where each group is sitting. The seating rotates each day so that you will sit in a different section once throughout the week.

Celebration

Each morning in the Worship Center, there will be a Celebration time lead by the Camp Pastor and Camp Worship Leader. The morning Celebration is upbeat and includes music and a short devotion.

Evening Worship

The Evening Worship is designed to be more reflective and includes music and a gospel message specifically geared for children. It may include drama, illusions or other talents shared by the Camp Pastor or Camp Worship Leader. Please note that there are hundreds of children in each service and we want them all to hear a message from God. Please help your children to know how to be considerate of others during this time.

Worship Center Reminders

- Bibles should be brought to Evening Worship. The Camp Pastor may ask for Bibles to be brought to morning Celebration as well.
- All children should use the restroom prior to the start of Worship.
  (If there is an emergency, children will be required to have a Shepherd accompany them to the restroom area located in the back of the Worship Center.)
- Shepherds should sit among the children to help monitor behavior.
- Flashlights ***MUST NOT*** be used during the service and should be kept under the seat.
- Standing in the seats is ***NOT ALLOWED***.
- Stomping in the bleacher section is ***NOT ALLOWED***.
- Everyone will leave the Worship Center according to color groups to help maintain order during dismissal.
- Shepherds should be ready to help counsel during the invitation.

Special Evening Activities

You are responsible for planning evening activities for your group after the worship experience. There are 2 nights that the camp has planned activities that you can choose to participate in.

Monday – Church Planned Activities
Tuesday –Glow Party in the Worship Center
Wednesday – 6th Grade Event (Pools)

- *You will need to plan activities for the rest of your group this night.*

Thursday – Church Planned Activities
